COVID - 19 Effects On the Mental & Physical Health  
of Asian Americans & Pacific Islanders Survey Study

## ARE YOU ASIAN, ASIAN AMERICAN, AND/OR PACIFIC ISLANDER?

We are seeking Asian, Asian American, and Pacific Islander (AAPI) adults to complete a survey examining the effects of COVID-19 on health, healthcare access, discrimination experience, and other health / social outcomes.

COMPASS aims to help assess and address the effects of COVID-19 on AAPI by conducting a survey with 2,500 participants

If you've checked all of the boxes below,  
please visit <http://compass.ucsf.edu> to complete the survey.

- Do you self-identify as Asian, Asian American and/or Pacific Islander?
- Are you 18 years old or older?
- Do you live in the United States?
- Can you read or speak English, Chinese, (Cantonese or Mandarin), Korean or Vietnamese?
- Do you have about 15 minutes to complete this one-time survey?
